The following services are performed at this commissary by the above unit. (Answer yes or no)

- Access to the commissary at all times
Limited Access. If yes, access hours are:
Access to preparation facilities
Stores mobile unit at the commissary. If no, where is the unit stored:
Access to dishwashing facilities to clean and sanitize equipment and utensils
Fill with potable water
Disposal of waste water via the sanitary sewer
Storage of supplies
Food products provided exclusively by the commissary. If no, where is food purchased?

The commissary agreement between the above mentioned mobile unit and the approved commissary is valid until
_____. However, in the event that agreement usage is terminated, the mobile unit
license issued by the City of Coppell is immediately suspended and all operations must immediately discontinue. This
agreement also becomes invalid if the commissary does not have a current license to operate. The owner of the mobile
unit must provide a copy of the commissary health permit to the Coppell Environmental Health Department.

This agreement expires six months from the date of issuance unless sooner revoked for a cause.

CITY OF COPPELL Environmental Health Department Requirements for Mobile Food Vendors

1. Mobile food establishments shall provide only single-service articles for use by the consumer.
2. All foods must be commercially produced prepackaged items from a licensed facility or commissary, or prepared on the truck for immediate sale.
3. All prepackaged foods must be properly labeled.
4. All cold foods must be maintained below 41 degrees; if ice is used, it must be drained.
5. All hot foods must be held at temperature over 135 degrees.
6. When applying for a new mobile food vending permit, or renewing an existing permit, the following must be provided to our office:
 - a. A signed, letter from the commissary or supplier stating that:
 1. they provide commercially prepackaged food items for the individual requesting a food permit, and/or
 2. they provide a central preparation facility for supplies and for cleaning and servicing operations for the individual requesting a food permit.
 - b. A photocopy of the commissary's current Health Permit.
 - c. A copy of the commissary's latest Health Department Inspection.
 - d. A completed application for a food service permit, along with the annual permit fee.
 - e. A copy of the proposed route plan for the mobile truck.
7. No open foods of any kind may be displayed or sold, with the exception of the sale of coffee, tea, or other non-potentially hazardous beverage dispensed through a self-closing spigot from an approved food-grade container or urn.

Absolutely no unlabeled foods, or foods from any source other than the documented commissary may be sold to the public from a mobile food vendor. Any unlabeled foods, improperly labeled foods, or foods that are found being held at improper temperatures may be detained or immediately condemned by the inspecting officer. Repeat violations may result in citations being issued to the operator and/or owner of the mobile vending unit, or both.

The owner/operator should immediately notify this office if any vehicle is removed from service, or substituted for by another vehicle, for any length of time. Failure to do so could result in the issuance of citations for the vehicle being operated without a valid food vendor's permit.

PERMITS ARE NOT TRANSFERABLE! The permit issued is for the vehicle indicated on the permit only. Any time a vehicle is sold or transferred to another individual or entity, the existing permit becomes null and void.

I acknowledge receipt of a copy of Requirements for Mobile Food Vendors and understand that failure to comply with the City of Coppel Ordinance on Food Service Sanitation may result in citations and/or permit suspension or revocation.
