How do TumbleBooks work?

In order to experience all the features of the TumbleBook Library, you will need a computer or mobile device with Flash Adobe 8+ and an internet connection. For mobile devices that do support flash player, like Apple products, you may use Tumble Mobile. Located at the top right of the screen is a drop down menu with languages. Choose the Mobile option. You will then be able to read, watch, and listen to TumbleBooks.

How do I checkout books?

There is no checkout for TumbleBook Library.

How do I bookmark my location in a book?

In order to save your place in a book, you will need to create an account with My Cloud. My Cloud allows you to access your reading list from any computer.

My username and Password aren't working.

Make sure you are on the William T Cozby's TumbleBook Library page. It should have a picture of the front of the library on the header.

I'm still having issues with my account.

For more troubleshooting assistance, please go to the TumbleBook Library help page. You may also stop by or call the Information Desk (972-304-3658) for additional support from the library staff. Feel free to bring in your device.
