

Master Composter Training

September 17 - 19, 2015

Become a YardWise Certified Master Composter!

The Master Composter training program educates the participants in the art, science, materials and methods of composting.

20hrs + 20hrs = Certified

Students participate in a 20 hours training course by an approved Master Composter instructor.

After training, the graduates volunteer 20 hours of volunteer community service in public compost education and awareness.
