

Learn to Swim Scholarships – Information Sheet

Here in the City of Coppell, we strive to promote and perform at the highest level possible for our community. We do know that everyone deserves the opportunity to attend swim lessons that they may not have been able to attend in order to keep them safe in and around the water. This is why we offer a Learn to Swim scholarship program for our residents.

The scholarship for swim lessons only applies to the Learn to Swim group lesson program, for children ages 3-14 with little to no knowledge of swimming. The program is based on a first-come, first-served basis, when qualified. Scholarships are granted for three session or completion of the Beginner level, subject to availability at no cost.

We have a limited number of scholarships available each year and will do our best to distribute them in the best way possible. Please keep in mind that any information provided will be kept private and only viewed by the scholarship committee. The outcome of your submission will be taken into consideration for the scholarship and you will know within two weeks, if you qualify for the scholarship.

Swim lesson space is also depending on availability. Qualification does NOT guarantee a spot in the Learn to Swim program. Registration may take place as late as the first week of the session due to availability opening up.
