

PART-TIME EMPLOYEE with BENEFITS SUMMARY

The City of Coppell is self-funded and pays a portion of employee coverage for medical and dental (HMO plan) insurance. The employee pays dependent coverage for medical and dental. Coverage is effective the first of the month concurrent with or following date of hire.

Medical Insurance

We offer a PPO United Healthcare Options network HRA annual rollover plan. For this plan year, the HRA funded by the City is \$250 reimbursement for in-network deductibles and 20% co-insurance only. The fiscal year individual/family in-network deductible is \$2,500/\$5,000 with 80% coverage after deductible. Office co-pays are \$40 for PCP, \$50 for specialists. Basic outpatient lab work by Lab Corp is covered 100% up to \$1,000. Our plan summary and premium rate sheet is on our website.

Dental Insurance

Our dental insurance is through Guardian and offers the HMO and PPO plan. Both plans include two cleanings each year per person. The HMO out of pocket is based on set fees with no deductible or maximum. The PPO plan has 80% basic coverage and 50% major coverage after a \$50/\$150 individual/family deductible. Orthodontia is also available on both plans for adults and children.
